

TECHNOLOGY IN WORSHIP

NCWMA 2024 – Pastor Phil Casmer & Tim Snyder

GOING FROM OLD TO NEW

Who are we...

Planning begins with...

Principles for technology in worship...

EXECUTING AND IMPLEMENTING

The three most important concerns...

Why it's important...

A word about digital mixers...

Look at this (all about video screens)...

Look at that (all about video cameras)...

The inputs for output...

Coordination and compromise...

Making it all go...

UPDATES TO EXISTING SPACES

No two spaces are exactly alike...

Best practice...
